

Land at Keresley

Welcome

Bellway Homes welcomes you to this public exhibition of its plans for the residential development of land between Tamworth Road and Fivefield Road. It is envisaged that the development will provide for around 550 new homes, public open space, landscaping and highway infrastructure.

This exhibition provides you with an opportunity to give us your views. These will be taken into account as part of the preparation of the planning application.

Members of the project team are available to answer any questions, and feedback forms are available for you to complete.

Thank you for attending today.

About Bellway Homes

In just over 70 years, Bellway has grown from a small, family-owned firm to one of the most successful house builders in the UK and become a FTSE 250 major PLC housebuilder delivering just over 9,600 new homes across the UK last year. Our high standard of service and build quality is endorsed by our customers, 9 out of 10 of which would recommend buying a new home from Bellway to a friend. We are a five star home builder. Although a major developer, we have not lost sight of what is important to our purchasers.
