

Land at Keresley

Framework Masterplan

The proposals will provide:

- Around 550 new homes
- Children's play areas
- Informal open spaces and structural landscaping
- Retention of existing woodland, trees and hedgerows
- A well connected network of pedestrian and cycle routes
- Sustainable drainage systems in the form of cascading ponds and swales, creating an attractive landscape feature
- Bus route into the site
- A green corridor through the site, along Hall Brook
- Access for vehicles to Tamworth Road and Fivefield Road
- Land for the spine road
- Emergency access points
